

ASED Youth Mission Statement

The Atlantic Southeast District Youth ministry exist to...

Transform, Equip, and Impact.

First, we exist for lives to be *transformed* to the light of Christ.

Second, we exist to *equip* each youth with the tools to live a life reflecting their choice to serve God.

And third, we exist to use those tools to go back out and *impact* other lives so that they, too, may begin the process.

We long for this generation to arise and to see this generation alive. Walking in the destiny God has for them. Our goal is to teach these principles to the youth, that they may reflect God's light in this world.
